## HISTORY OF CCL

Australian Beer Company is based in Yenda, NSW.

While only conceived in late 2013, the Australian Beer Company is quickly building a reputation for high quality products with multiple medal wins for its beers already won.

The Brewery's small team has 66 years of collective brewing experience within the group.

Australian Beer Company has been able to produce quality craft beer as well as customised brews for customers and allowing them to label their own beer.

With camels being an iconic part of Boulia hence this beer receiving our name of Crazy Camel Lager.

CCL is a full flavoured mid-strength (3.5%) beer made using pale malt for a traditional style lager.
